I request a replacement tail rotor strike tab, because _____

The following information is provided:

		<u>Total Time</u>
Aircraft	S/N _____	_____
T.R. Spindle	S/N _____	_____
T.R. Gearbox	S/N _____	_____
<input type="checkbox"/> T.R. Blade	S/N _____	_____
T.R. Grip	S/N _____	_____
<input type="checkbox"/> T.R. Blade	S/N _____	_____
T.R. Grip	S/N _____	_____

Check blade (or blades) that need strike tab.

Please check the applicable box.

- I certify this tail rotor has not been involved in a tail rotor strike with the rotors turning.
- I certify that this tail rotor assembly, tail rotor gearbox, and tail rotor drive system have been inspected IAW paragraph 4-53, of the TH-28/480 Maintenance Manual (for the TH-28/480/480B), or IAW paragraph 4-59, of the "F" Series Maintenance Manual (for the F-28F, 280F, and 280FX models), or IAW SIL 0088, latest revision (for A and C models), as appropriate.

NOTE: As an exception to SIL 0088, latest revision, the components only have to be returned to Enstrom if there is damage to the tail rotor blades, flex pack couplings, or the drive shaft taper pins.
